Churchill Snow & Midnight Chequer Mosaic Tiles:

PRODUCT DESCRIPTION

Black and white chequered floor tiles are the original decorative statement. Use these Churchill Snow & Midnight Chequer Mosaic Tiles to create a room-stealing period feature floor in your bathroom, hallway, lounge or kitchen! Because they're made from durable porcelain, they can even be used in the garden to create a patio space.

What's special about these tiles?

- > Sought after Victorian style
- > Made from sturdy porcelain
- > Grippy R11 finish
- > Perfect for use inside and outside

The measure-up

The individual tiles measure 45x45mm. There are 36 tiles per sheet and 11.82 sheets per sqm.

Top tip: Seal before grouting

Once the tiles are laid we recommend using the [LTP Porcelain Tile Protector](#) before grouting for the best finish.

Witton Noir Porcelain Paving Slabs:

PRODUCT DESCRIPTION

Featuring all the characteristics of a natural stone modular pattern in a durable porcelain body, Witton Noir 20mm Porcelain Slab Tiles encapsulate a traditional multi-size pattern within the tile surface, giving an easy option for creating, what is traditionally achieved by mixing several different sized individual tiles together. Witton retains the antiqued rustic charm that's so renowned in old traditional stone floors.

Have you tried our [20mm Paving Slab Trims](#)?

What's special about these tiles?

- > Cool, charcoal tone
- > Weathered edge for aged charm
- > On-trend stone effect modular design
- > Ultra durable, weather-resistant 20mm porcelain body
- > Strong R11 anti-slip surface, perfect for outdoor spaces

Try before you buy

If you'd like to take a closer look, why not order a sample tile? Samples are a great way to get a feel for a tile's true colour and texture, and you can see how it looks in your chosen room!

Have you seen our selection of [Norcross Rock-Tite products](#)? They're perfect for fixing and completing outdoor projects!

Trail Quartzita 20x20 Matt Slab

Tiles: <https://www.terrazzo.com.au/products/Trail-Quartzita-20x20-Matt-Slab>

PRODUCT DESCRIPTION

With a natural, timeworn appearance and a durable, easy to clean porcelain format, our Trail Quartzita collection offers the perfect look for your outdoor space. Inspired by Italian roads and pathways, our Trail Quartzita Porcelain Paving Slabs feature a realistic quartzite effect design in variegated shades of light brown and beige, perfect for emulating the rustic look of a natural cobblestone design. Designed in a small square format with a natural matt finish and an anti-slip surface, these multifunctional slabs can be used to create multiple unique patterns for a beautiful pathway or larger outdoor spaces.
