

Ruvido Tribal Stone Hexagon Tiles:

PRODUCT DESCRIPTION

A medley of interesting tribal-esque designs printed on a soft stone effect backing, these Tribal Stone Tiles are perfect for introducing a unique floor area into your home. They depict the illusion of 8 individual hexagonal pieces - divided with a faux groutline. Made from durable porcelain, they are perfect for use on all floor area throughout the home. They have a soft matt finish.

The colour of grout used is down to your own personal taste, but one recommendation might be to use our [Mapei Ultracolour Plus 113 Tile Grout](#).

Placid Marble Effect Tiles:

PRODUCT DESCRIPTION

Alive with strong veining, these Boketto Placid Marble Effect Tiles have multiple variations to help give the naturalistic variance offered by natural marble. They consist of a cream and beige background and have a soft matt finish, which is perfect for creating a tranquil backdrop. They're made from durable porcelain, so they're long-lasting and hard-wearing.

Stacked Sand Stone Effect Tiles:

PRODUCT DESCRIPTION

Reinvent the wall spaces through your home with these Stacked Sand Stone Effect Tiles. They allow you to create the illusion of a stacked dry wall; the kind you might find in a country farmhouse. They're perfect for creating a feature wall in a bathroom, kitchen, living area, or even outside in the garden. Made from porcelain, they have a textured surface and a matt finish. For a grout that matches the faux groutlines contained within these tiles, try our [Ultracolour Plus 114 Antracita Tile Grout](#). They're suitable for use on both internal and external wall spaces.

Mimosa Marble Valley White Gold Tiles:

PRODUCT DESCRIPTION

These Mimosa Marble Valley White Gold 60x60 Tiles are perfect for introducing a lavish and exclusive look into your interior spaces. They're inspired by one of Italy's finest marbles, Lasa, which is quarried in the Lasa Valley. Made from porcelain, they're hard-wearing and long-lasting, with a rich deep glaze.

Their gentle golden veinings run across the white backdrop in gorgeous stripes.

What's special about these tiles?

- > Realistic marble effect design
- > Inspired by one of Italy's finest marbles
- > Gorgeous golden veining
- > Made from durable porcelain
- > Shimmering polished finish

Try before you buy

If you'd like to take a closer look, why not order a sample tile? Samples are a great way to get a feel for a tile's true colour and texture, and you can see how it looks in your chosen room!

Isidora Pacific Thick Splitface Effect Tiles:

PRODUCT DESCRIPTION

Add depth and character to any space with our Isidora Pacific Thick Splitface Effect Tiles. Designed to emulate linear strips of stone, these tiles feature a mottled mix of grey and sea green with a rippled, wave-like effect and a light shimmer across the surface. A low maintenance alternative to natural split face

tiles, these stunning staggered porcelain tiles have a rugged, multi-levelled surface, providing a sleek, contemporary look in your home.

What's special about these tiles?

- > Rustic three-dimensional surface
- > Gentle sparkle effect
- > Sleek contemporary aesthetic
- > Durable porcelain
- > Striking characterful look
